After School Enrichment Fees & Schedules Belmont Location - 2010

All language classes are provided in one of three languages: Spanish, French, or Mandarin. For Elementary (K-5th) school students, we offer an afternoon program that takes into account early dismissal on Wednesdays.

Our goal is to provide you with flexible After School Enrichment programs that fit your life. Please let us know what suits your schedule and we will be happy to try to accommodate you.

Our language classes are 2 hours long. You may select how many and which days a week you want your child to attend. We also provide care before and after the 2-hour language class for an additional hourly fee.
